## **Northern Area Stockman of the Year**

**Saturday 26th July 2025**

**CCM Auctions, Skipton, BD23 1UD**

## **Introducing our Headline Sponsor:**

### **NSA Northern Region**

NSA Northern Region is one of the largest of NSA's nine regions, covering Cumbria, County Durham, Humberside, Lancashire, Northumberland, North and West Yorkshire, as well as the Isle of Man. The region plays a vital role in representing the interests of sheep farmers across this diverse and expansive area.

As part of the National Sheep Association's regional structure, each of the nine regions is led by a Regional Manager, Chairman, Vice Chairman and Treasurer. The Northern Region is actively engaged in supporting its members through this structure, ensuring that local voices are heard and that issues affecting the sheep sector in the North are raised at a national level.

NSA Northern Region is proud to host NSA North Sheep, a major biennial event held on-farm, offering free entry to NSA members. The event showcases innovation, livestock, industry expertise and practical demonstrations, making it a highlight of the UK sheep farming calendar.

In the years between NSA North Sheep, the region hosts a variety of other activities, including evening talks, farm walks and Next Generation competitions. Keep an eye on the website to see what's happening near you.
