County Chairman's Welcome

Hi All,

I would like to invite everyone for the opportunity to compete in the 2026 County Rally held at Thirsk Auction Mart on Saturday 23rd May 2026.

I hope all members have as much enjoyment and enthusiasm as they have in previous years. I know that it is one of the main events on the calendar for Young Farmers.

There are many competitions for members to have the opportunity to have a go at. Some old favourites ranging from stock judging and cookery, and something new for everyone with line dancing, plus some classic returns which haven't been seen for a few years such as trailer handling and the yard of ale.

And of course, the highlight of the day for some will be the tug of war. Great to witness sportsmanship from teams and support from their fellow club members. I hope to see the same levels of friendly competition this year!!

It's not all about the day though. There are many creative competitions to prepare before the day in Section 3. Last year there was some great pieces of artwork and fabrications, and I hope to see the same effort put in once again!!

A big thanks must go to the Competitions Committee, the team in the YFYFC Office, and all the Judges, Stewards, Volunteers, Sponsors and Suppliers who make the day possible.

Good luck to all those competing and I look forward to seeing you all at Thirsk.

TIMETABLE

This timetable is subject to change at short notice/upon receipt of entries.

Competitions with specific finish times mean competitors must have competed before this time.

Where specific report times are given, all competitors/a team representative must turn up at this time. This is to allow time for a draw to be made before the competition starts and for some Section 2 events, as noted, members will be given a time slot to come back at, to compete. Please note some competitions have two windows during the day to allow for stewards' lunch breaks. However, all competitors/team rep will need to sign-in at the first report time to get their time slot to compete. Some competitions require all competitors/teams to compete/turn up at the report time together. These are noted with a *.

Some venues may change depending on weather/space required upon receipt of entries, but all will be clearly signposted! Due to the number of competitions, there will not be enough time for every member to take part in every competition. Members are reminded to take responsibility for the times of their own competitions on the day and understand that they will not be able to enter events where times clash. The finish time/time you are given is as stated and stewards will not wait after that time. It is members' own responsibility to attend the competition before that time/manage their own timetable.

The timetable does not allow members to take part in both NFYFC Cookery and Floral Art competitions.

Members are only permitted to take part in one Stock Judging in Section 1.

***New for 2026 - Clubs only permitted 1 team for each TOW class and Men's/Ladies TOW will run together.**

At weigh-in all team members must have their boots available for inspection by the judges.

All boots should comply to the TWIF outdoor boot specifications available from:
<https://www.nfyfc.org.uk/tug-of-war>

SUBSTITUTION ON THE DAY – please refer to the National rules.

After a team has pulled the first end of the first match, the team is able to use a substitution. A substitute may replace any one puller for the remainder of the competition (Age restriction of team still applies). Substitution may be used for tactical reasons or due to injury. Any potential substitutes must (unless otherwise instructed by competition organisers) have been signed in and had their membership card checked prior to pulling in the competition. At the time of substitution, both the puller to be replaced and the substitute must report in full pulling outfit, (shirts, shorts, stockings, and footwear) to the Chief Judge/Chief Steward who may designate an official to deal with the substitutes. A small (bathroom type) scale must be available at the pulling area, (in a suitable place, on solid surface), to determine the weight difference between the two pullers. The substitute puller must be of equal weight or less than the puller he/she replaces. Directly after the change, the Chief Judge or designated official shall cancel the stamp or marking of the replaced puller, and indicate a similar marking on the substitute, with an indelible marker. This change shall then be recorded.

N.B. For GENSB teams; Once weighed in, the team weight allowance cannot be improved upon through substitution i.e. increasing the number of females on the team. Any weight bonus must be removed accordingly if the number of females has decreased below the original bonus threshold of the team.

E.g. Team = 5 males & 4 females = 600kg (560kg + 40kg bonus). A female puller of 70kg is substituted for a male.

The male must weigh 60kg or less (Both in full pulling gear) because the resultant bonus has decreased.

DRAW AND BYES

The Chief Judge and Chief Steward will confirm the number of leagues teams shall be drawn into. However, there shall be no more than 7 teams in one league.

PULLING

Each team shall pull a match of 2 ends against every other team in the league with points awarded as follows:

- 3 points to the winners in a straight pull (two straight pulls)
- Nil points to the losers in a straight pull
- 1 point to each team winning 1 pull each

Note: If teams are drawing on points at the end of the league; they shall be ranked using the following system until differentiation:

2. Matches won (most matches won).
3. Cautions (least number throughout pulling).
4. Team weight (lowest team weight at weigh in).
5. Coin toss or draw.
